Web Resources:

- The National Gardening Association: https://garden.org/
  Excellent articles and tools such as Vegetable Garden Planting Tool
- UVM Soil Testing Information: https://pss.uvm.edu/ag_testing/
  It's a good idea to have your soil tested every few years
- UVM Helpline: https://www.uvm.edu/extension/mastergardener
  Get your garden questions answered by local volunteer Master Gardeners
- The Old Farmer's Almanac: https://www.almanac.com/gardening
  Gardening guides, charts and last frost date lookup
- Home and Backyard Composting: https://composting.ces.ncsu.edu/home-composting/
  One great guide to home composting, to get you started composting at home

---

The Seed Library's mission is to nurture a thriving community of gardeners and seed savers. In addition to providing access to seeds, we support gardeners and seed savers, from beginner to expert, through the process of growing, harvesting, and saving seed.
